

Scholarship Program

Medical Center Hospital offers scholarships to applicants who reside in the Permian Basin area and whose course work will result in an **Associate Degree in Nursing** or a **Bachelor of Science in Nursing**.

Scholarship payments will be based on tuition and required fees applicable for Texas residents and cost of required books. For Associate Degree students, payment equal to the amount of **100% tuition, required fees and required books** for qualified courses will be paid by Medical Center Hospital directly to the approved institution. For Bachelor of Science students, scholarships may be less than 100% of tuition, based on the cost of the institution attended.

Recipients must sign an agreement to work for Medical Center Hospital in a full-time position, upon graduation from their field of study, for a period of three (3) years.

The following requirements apply:

- Scholarship applications must be filled out and submitted to MCH Staff Development thirty (30) days prior to the beginning of class.
- Applicants must include a Letter of Acceptance from the specified program.
- Current official college transcript must be submitted. GPA will be considered during selection.
- Two reference letters from instructors and/or past employers must be included with application. One additional reference letter must be from the Office of the Registrar.

For additional information, contact Pam Hodnett at (432) 640-1159.

Applications are available in the Medical Center Hospital Staff Development Department located at 400 West 4th Street in Odessa, TX or at www.mchodessa.com.
